## INSTRUCTIONS TO Completing the Housing Questionnaire

### Housing Arrangements

Below is a further explanation of the different housing arrangements listed on the Housing Questionnaire:

*“With another family or other person... (sometimes called ‘doubled-up’)”*: check this box if the child is sharing the housing of others because of loss of housing, economic hardship, or a similar reason.

*“In a shelter”*: check this box if the child is living in an emergency or transitional shelter. This includes family shelters, domestic violence shelters, and transitional living programs.

*“In a hotel/motel”*: check this box if the child is living in a hotel or motel because the child doesn’t have another adequate place to live.

*“In a car, park, bus or train station, or campsite”*: check this box if the child is living in a car, park, bus or train station, or campsite.

*“Other temporary living situation”*: check this box if the child is living in another temporary housing situation and doesn’t have a “fixed, adequate, and regular” nighttime residence.

*“In permanent housing”*: Permanent housing means that the family’s living arrangements are “fixed, regular, and adequate.”

### Determining that a Child Lives in Temporary Housing

For more information about determining whether a child is in temporary housing, see the National Center for Homeless Education’s “Determining Eligibility for Rights and Services Under the McKinney-Vento Act,” available at: [http://center.serve.org/nche/downloads/briefs/det\\_elig.pdf](http://center.serve.org/nche/downloads/briefs/det_elig.pdf). You may also call the New York State Technical and Education Assistance Center for Homeless Students (NYS-TEACHS) at 800-388-2014 ([www.nysteachs.org](http://www.nysteachs.org)) with questions about whether a child should be considered temporarily housed (homeless).

### Confidentiality

**A child’s housing information should be kept confidential to the maximum extent possible.**
